midshipman makes something on it. The Ring of the Midshipman So it chanced that this Loy who was going home had enough in his pockets to permit him to stop over in New York for a few days. He was sitting in the lobby of one of the uptown hotels and next to him were

two young men about his own age. Gold Band That Marks the Upper He couldn't help gathering from their conversation that they were West Pointers. They too were talking about orders and h knew that they had just been graduated. The midshipman knew the best way to get an army youngster's goat and he A midshipmen of the first class who was still heart whole he keeps the ring under started in. He told them that he had heard to receive his diploma at the Navel cover except when he is alone. And he them mention West Point and he wanted Academy the next day leaned far out of looks forward to the end of youngster year to know how they liked it up there.

"My Congressmen has been trying to

"Well, I suppose I'd better wear 'em of the year the two upper classes are or not."

just to be on the safe side," he said as gathered outside. Inside the youngsters "One of the West Pointers gave him a 

had come to take this midshipman to always wear when they are working cordial.

dinner at the hotel, the one hotel, that cound the water. The outsider can't see why they dress this way, but it isn't is the whole thing with you fellows," continued the midshipman.

"But, my dear man," argued the out- class comes out of the examination he is sider, "there isn't one chance in fifty that picked up bodily by the upper classmen, career at the Foint.

it will rain. Why should you go to all lifted to their shoulders and carried on that trouble and then be uncomfortable a dead run over the parade ground and trouble about that," the navy man went walking coross the yard? Eesides you'll down to the sea wall. There they swing on. You see I've just left a military only have to check them as soon as we him three times and with the last heave accedemy down South and I was pretty get to the hotel and it won't hurt you out he goes over the water of the navy to run back over here even if it does rain."

The midshipman came out of the inner there somehow he manages to reach into room stamping his overshoes into place. Some recess of his uniform and to find the ring that means the passing of young
"Wall day before vesterday I didn't the ring that means the passing of young"Wall day before vesterday I didn't the ring that means the passing of young"Wall day before vesterday I didn't the ring that means the passing of young"Wall day before vesterday I didn't the ring that means the passing of young"The ring that sort of thing."

The ring that sort of thing and that sort of thing. I guess they would be gled to have ment of the ring that sort of thing. I guess they would be gled to have ment of the ring that sort of thing. I guess they would be gled to have ment of the ring that sort of the ring that sort of thing. I guess they would be gled to have ment of the ring that sort of thing. I guess they would be gled to have ment of the ring that sort of the ring that sort

The midshipman came out of the inner room stamping his overshoes into place.

He looked up pityingly.

"Well, day before yesterday I didn't west 'em and it rained and I was arrested," he said. "Had to spend all day ring on his finger and paddles ashore.

It had always been the custom to throw over just the man who was bright enough to finish his examination first. He was the hotel and no chances."

"But do you mean to say that you were arrested for not wearing your rubbers?"

"But do you mean to say that you were arrested for not wearing your rubbers?"

"The commencement which was recently celebrated the upper classes went come back while I'm up the river at the large one back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come in the come back while I'm up the river at the come back while I'm up the river at the come in the come back while I'm up the river at the come in the come back while I'm up the river at the come back while I'm up the river at the come in the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come back while I'm up the river at the come while I'm up the river at t

"Surest thing you know. Uncle Sam carly celebrated the upper classes went takes good care of his youngsters. You people who went to college could raise we crarried. Over went the first man a kick and maybe you could get a rule and over went the second and the third."

"Well, I hose I see you men if you ever come back while I'm up the river at the get demy," said the navy man, rising. "S v, how about having a little drink together just for old sales sake?"

of the faculty changed. Do you know what would have to happen before we could go out without rubbers? Congress would have to pass a bill, that's all!" And he led the way noiselessly downstairs.

Considering the way in which the midshipmen's lives are hedged in with routine and discipline they seem to have very small chance to develop such customs as obtain in many limitutions of higher learning, but customs they have in countless mone perhaps more picturesque than the ceremony that surrounds the nexy ring.

When you get a navy man into citizen's clothes about the only way that you can tell him is by the ring he weers. It's a feacility character of the variance of these were chap who do not have the variance of the variance o

the thin is by the ring he weers. It's a they exhibit. The swains were ripped arms of the Academy. Upon the flat surface may be worn either the owner's initials, a crest or, as his become more popular recently, some dark oblong stone, such as a gafnet, a carbuncle or a very deep supplie.

The swains were ripped in this year's class there was one chap who did not intend to pursue his career in the service. He was one of those quiet little fellows whose nickname is Sister. The idea of his speaking gruffly to a bluelacket was something that his class couldn't imagine. But he was all for getting decked out in all the trappings that he could find.

On the period of the first class german.

deep sapphire.

They get these rings, that is to say midshipman had the satisfaction of putthe midshipmen put on their white uniforms, fastened to the throat with gold they order them, when youngster year is fairly well started. Youngster year corresponds to sophomore year in the colleges. When the rings come home from two representatives of the military arm of the service.

This midshipman was on his way home to wait for orders. He had just been graduated and when tincle Sam orders has allowance for their travelling expensed, they ship them off immediately to be worn on a feminine hand. This is the ultimate destination of most rings of this type anyway.

But granting that the midshipman is or even to the middle West is involved the slape on the back that nearly killed him. SUMMER RESORTS.

# Motor-Boating at Marthas Vineyard and Nantucket

With splendid reaches of smooth, open water surrounding then, Marthas Vineyard and Nantucket are delightful Summer havens for motor boating er thusiasts.

The pleasure of your trip is increased by the interesting sights you'll You will pass a fleet of coasting chooners, vessels from the West Indies, a tramp steamer or two, and a regu'ar proces ion of happy yacl ting parties, bg and little.

You will gain health and happiness if you spend your vacation at either of these islands. The snappy tonic air will stimulate your appetite and will induce healthful sleep. Besides motor boating, there is every Sunmer diver on you can think of—fishing, bathing, golf, tennis, sailing and country sports.

Good Accommodations from \$10 per Week Upward.

Send for our two books about these islands NOW. They picture and describe the Summer pleasures at these quaint places. Write Advertising Bureau, Room 763, South Station, Boston, Mass. For Tickets (parlor car space or staterooms on steamers), call or send to
